AFFIDAVIT TO THE PUBLIC (COMMERCIAL)

Before me, the undersigned authority, on this day personally appeared _____ who, after being by me duly sworn upon oath, states that he/she is the owner of record of that certain tract or parcel of land lying and being situated Montgomery County Texas and being more particularly described as follows:

Subdivision: _____
Section: ____ Block: ____ Lot: ____ If not available: See Attached Metes and Bounds

The undersigned further states that a surface application on-site wastewater treatment system will be installed in accordance with the permitting provisions of the Texas Natural Resource Conservation Commission. The undersigned has entered into a maintenance agreement as required by the permitting entity, with an approved maintenance company for service and repairs to the application system.

Further, the undersigned states that he/she will, upon any sale or transfer of the above described property, request a transfer of the permit to operate such surface application system to the buyer or transferee. Any buyer or transferee is hereby notified that a maintenance contract with an approved maintenance company will be required for use of this system. For more information concerning the rules or regulations on surface application on-site wastewater treatment system, please contact the Texas Natural Resource Conservation Commission, P O Box 13807, Austin, Texas 78711-3087 and by phone (512) 908-1000.

I hereby agree and acknowledge that I must:

1. Employ, by means of an initial two-year policy contract, a wastewater operator.
2. Employ a wastewater operator during the entire operational life of the said application facility.
3. Assure that the wastewater operator provides the testing of the sewage effluent on the schedule provided below and sends the required report to the Permit Division:

Annually: BOD5 and TSS Three Times per Year: pH and Chlorine of Fecal Coliform (once every 4 months) over 1000 GPD, needs to be monthly.

4. Operate this system in strict conformance with sewage effluent discharge standards promulgated by Texas Natural Resource Conservation Commission (TNRCC).

Failure to abide by the above conditions could result in the issuance of citations.
The start-up date of the facility will mark the anniversary date of testing and reporting.
